

HATHERSAGE STEPPING STONES

PREPARED FOR WALKING THE PEAKS, OCTOBER 2018

ROUTE SUMMARY

This is a lovely walk from the centre of the busy Peak District village of Hathersage. It follows good footpaths at all times, generally on the flat, yet still provides great views of the Hope Valley hills. The walk is 2.8 miles or 4.5 kilometres, and has only 30 metres or 100 feet of uphill. Have a great walk.
